

MILEX Half Rack Transit Cases

Compact Electronic Cases: Half Rack / Shock Mounted

Light, Compact, Rugged, Smaller Overall Footprint, Customized to Your Requirements

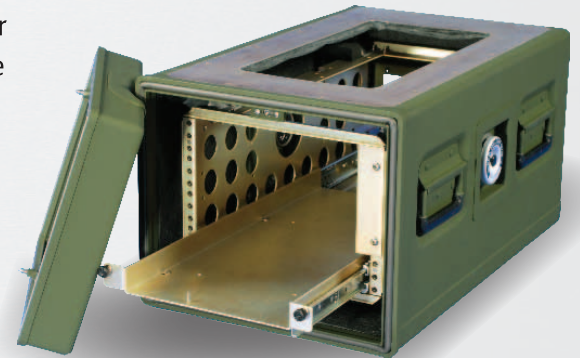

Electronics are getting smaller and compact. Check out EDAK's line of MILEX **Half Rack Shock Mounted** transit cases. EDAK MILEX cases are designed to meet the rigid requirements of MIL-STD-810 and other appropriate military standards for a product of this kind. The MILEX case represents the most comprehensive line available today for the safe packaging of mobile electronics.

MILEX cases are designed and manufactured to the specific requirements of environmental protection required by the equipment being contained and transported. This provides the maximum protection while also affording other essential and desirable features.

Contact EDAK for assistance with your transit case requirements.

Half Rack with Cover

U	Chassis height	Chassis depth	Base fastener position	Overall Height wo/stacking feet	Weight/lbs	Overall depth w/ covers	Overall depth wo/ covers	Weight lbs.	Overall depth w/covers	Overall depth wo/covers
